## JAZZAHEAD STAND

Government of the Balearic Islands **5B50**

A warm and vibrant sound characterizes the music of **Ermanno Panta**. A singer, multi-instrumentalist and the creator of compositions that Radio3 has defined “*very interesting and extremely quirky*”. This Sicilian musician will release his second album “*Llengua de Terra*” in October, dedicated to the island of Formentera, his adopted land.

**Banda Zeitun**’s style of Mediterranean jazz encompasses the dream of a tolerant and open Mediterranean and is the source of **poetic lyrics, oneiric atmospheres and pure groove**.

Panta, who in recent years has had the opportunity to collaborate with musicians of the stature of **John Mac Laughlin** and **Jorge Pardo**, is an original member of the new generation of world-jazz musicians and has performed in 18 countries playing with his band in festivals and venues such as **Jazz Voyeur Festival**, **Cançons de la Mediterrania**, **Formentera Jazz Festival**, **Festival de Thau**, **Firabi**, **Babel Sound Festival**...
